What is it? The Stars and Stripes Club is Providence High School's political club. We come together to promote free, diverse, respectful discussion of the world around us and have a great time doing it!

When does the club meet?

We meet every other Thursday afternoon, in Mr. Cawthon's room, Room 220. The meetings usually last 15-20 minutes. We also occasionally have events outside of school, with details announced in advance.

What does the club do?

In meetings, we discuss topics such as the NSA, immigration policies, social conflicts, etc. and also have socials at restaurants and volunteer together with organizations such as Habitat for Humanity.

Dues: Dues are \$15 and cover things such as snacks at all meetings and help keep the club running. Please make the check out to "PHS Stars and Stripes Club". Thanks!
